Product Overview

Bohemian *crafted* since 1548

MARCH 2021

Crystals *from the* Heart *of* Europe

Nestled between the Jizera and Lusatian mountain ranges in northern Czech Republic are the rolling hills and clear blue skies of Bohemia. It was here, in Crystal Valley, where nearly five centuries ago the first kilns began to illuminate the glassmaking ateliers and workshops scattered across the region, eventually giving birth to an entire industry that has all but defined Bohemia's cultural heritage.

Founded upon the ideals of quality, durability and innovation, Preciosa has since 1948 introduced the world to the truly captivating and timeless quality of authentically crafted Bohemian crystal.

Shine Responsibly!

Preciosa products that carry our Lead-Free Brilliance symbol contain less than 0.009% lead (< 90 ppm) and are made according to the highest environmental and sustainable manufacturing practices. These premium products meet the most stringent industry standards and international safety certifications.

Quality Guarantee

Made with the finest locally sourced raw ingredients, our crystals are unparalleled in both quality and shine. Every stone is carefully crafted using centuries-old glassmaking techniques and natural Bohemian sand, famously rich in silica dioxide, which gives the stones their signature shine.

Preciosa strictly adheres to a comprehensive program of environmentally responsible business practices and manufacturing procedures that comply with all major EU standards and worldwide industry legislation.

All Preciosa products are 100% made in the Czech Republic.

Certifications

Preciosa's premium quality MAXIMA line meets the following certifications:

ASTM F2923*

Standard Specification for Consumer Product Safety for Children's Jewelry

ASTM F963*

Standard Consumer Safety Specification for Toy Safety

CPSC 16 CFR 1303

Lead in a Surface Coating

CPSIA*

Consumer Product Safety Improvement Act

SAFETY OF TOYS

Heavy metal migration limits according to Directive 2009/48/EC

OEKO-TEX STANDARD 100

Product Class II

REACH

Registration, Evaluation, Authorization and Restriction of Chemical Substances

ROHS**

Restriction on Use of Hazardous Substances

* Requirements are fully met by products carrying our lead-free brilliance symbol.

** Except Citrine, Coral, Garnet, Hyacinth, Light Siam, Olivine, Siam and Sun

For Nails

Developed with input from some of America's leading nail technicians, Preciosa's Faerie family for nails has been thoughtfully engineered to maximize impact, coverage and durability. Both Crystal Faerie and Regal Faerie have undergone rigorous testing to ensure long-lasting, textured shine that is easy to apply and remove. Like all Preciosa products, this assortment is made from only the highest quality raw materials and is 100% produced in the Czech Republic.

Crystal Faerie

Preciosa Crystal Faerie is composed of tiny crystal balls and double-cones, each sized, shaped and polished to shimmering perfection. Preciosa double-cones provide the largest surface area and account for the highest composition ratio of similar products for nails, which means that the colors are truer, the shine is brighter, and the overall impact is higher.

Made to Order

Preciosa's Made-To-Order range comprises an assortment of exclusive, semi-finished crystal products that are custom made according to individual request. Using various patented technologies our team of experts brings even the most intricate and extraordinary crystal designs to life, cutting down on both application time and waste.

Crystal Transfers

Design, heat, peel!

Preciosa Crystal Transfers are created using any combination of shapes, sizes and colors of Preciosa hotfix Flatback Stones applied to transfer foil according to the specified design. Crystal Transfers are suitable for hotfix application only. For detailed application instructions, please visit www.preciosacomponents/applications.
